Sanmina - Sci Technology India  
Pvt. Ltd  
JANUARY 2021 TO PRESENT

Contributed to the UI and Development of certain Enterprise Applications and node packages that were necessary for use in the Industry.

**Data Analyst**  
Wilco Source Technologies Pvt. Ltd  
DECEMBER 2019 TO JANUARY 2020

Worked on certain real-time data sets and performed Exploratory Data Analysis (EDA) and Visualizations using python packages.

## Educational Background

**B.Tech in Computer Science and Engineering**  
BSA Crescent Institute of Science and Technology  
JULY 2017 TO JUNE 2021

- IBM certified specialization in Big Data, AI and IoT
- Graduated First Class with Distinction
- CGPA: 9.09/10.0

## Project

**HEALOPT - Healthcare Optimization Analytics Dashboard**  
Data Analytics and Web Application Development  
APRIL 2021 TO JUNE 2021

Power BI embedded NodeJS Web Application/Dashboard that helps users to filter the best doctors for any given specialization, patient visiting patterns, preferred timings and more.

## Courses and Certifications

**Responsive Web Design Certification**  
freeCodeCamp  
MARCH 2021

**AI Analyst Mastery Award 2019 - 2021**  
IBM Skills Academy  
JULY 2020

**Machine Learning Zonal Braintech Championship**  
Azure Skynet Solutions Pvt. Ltd  
FEBRUARY 2020

**The Complete Web Developer Course 2.0**  
Udemy  
JANUARY 2020

**The Python Coding Bootcamp**  
Xobin Technologies  
NOVEMBER 2019

## Languages

English, Tamil, Hindi, Telugu
